Mrs. Earl (Flora) Pursley

In Loving Memory of Flora J. Pursley
1920 - 1978

Flora Pursley was a woman who loved children as much as she loved the Lord. She always had a smile, a hug, a wink, or an encouraging word for every child she knew. The beauty and love of Christ could be seen in everything she did and every word she spoke.

A former teacher with many years of experience, Mrs. Pursley tutored children in her home. The Lord seemed to bless her with special insight, patience, wisdom, and understanding for working with children who were frustrated, who needed extra help in different areas, or who just needed encouragement and confidence in themselves.

She was on the Education Committee that formed the School Board for Eastwood School System. As an active member of the board, she spent many hours in prayer for our school, the children who would attend Eastwood, and the teachers who would teach there. Her love, her concern, enthusiasm, encouragement and dedication were all a part of what made the dream of Eastwood School become a reality.

Because of her sacrificing spirit, and the many hours she spent voluntarily tutoring students in our school, we dedicate the 1978-79 Knights in her honor with much love and appreciation.

Knighthood, a medieval institution associated with feudalism and chivalry, distinguished the nobility from the common people. Knighthood flourished in the twelfth century as a badge of a class, not inherited, but conferred by the sovereign, or by another knight when merited. The title 'knight' was bestowed as a mark of honor as a reward for distinguished service.

God, in like manner, has set each one of us apart as Christians. We do not receive the title as an inheritance, but it is conferred on us by the Sovereign when we accept Him as our Lord and Savior. He has a special purpose for our school and for each individual in it. Our superintendent, our principals, our teachers, and even our secretaries have been carefully selected by God to shape our minds and our lives so that we may reach out to share His love with others.

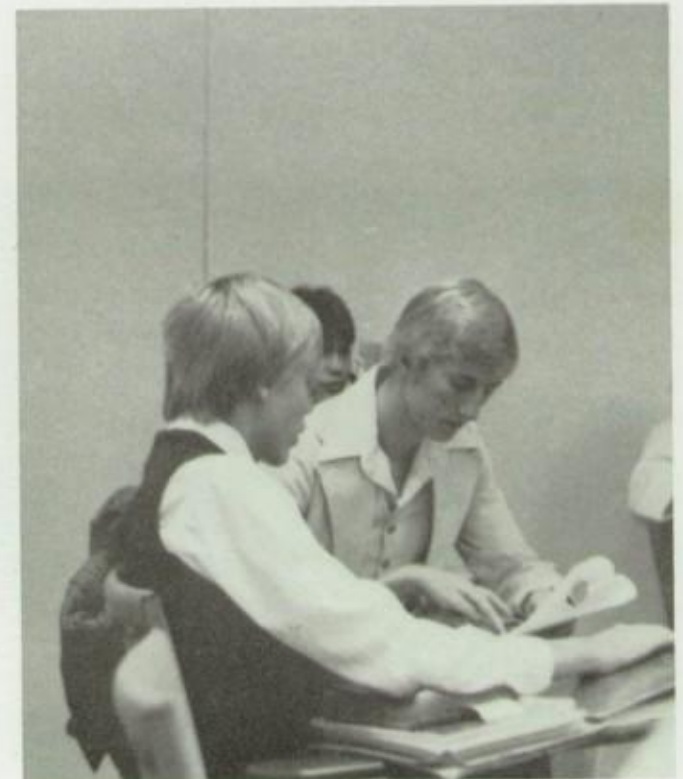

The process by which a boy became a knight can be compared with the way in which our school has grown since its beginning. After essential military training, an eight year old boy became a page in the castle of a noble relative where he learned the manners of a gentleman and was taught the use of weapons. In the Fall of 1976, Eastwood School opened under the direction of Mrs. Laura McCall. With thirty students and three teachers, the school resembled a page learning to use the weapons for battle.

At the age of fifteen, a page graduated to a squire. As an assistant to a knight, he would ride into battle after a long apprenticeship at arms. Eastwood graduated in its second year to add the Jr. High grades. Mr. Rod Goodsell became the supervisor and the population increased to 160 students and nine teachers.

The ceremony of 'adoubment' took place after a squire could prove his fitness on the battlefield. He was then invested with the arms and armour of a knight. God graciously opened doors to provide the way to begin a high school at the beginning of Eastwood's third year. We had proved our fitness on the battlefield and He was ready to place in our hands the armour of a knight.

This year has been both exciting and challenging to everyone involved with Eastwood School. We crowned our first Miss Eastwood and honored our first Mr. Knight. A Student Council was formed and we saw a great beginning in the sports program. In our first year of organizing clubs and setting precedents, the students and administration faced numerous changes and struggled through many difficulties. God has received the glory through it all and He has changed many lives. As we also see our first graduating class, we can truly say that we are proud to be "Knights for Christ!"

"Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all to stand. Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; And your feet shod with the preparation of the gospel of peace; Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked. And take the helmet of salvation, and the sword of the Spirit which is the word of God." Ephesians 6:13-17. We follow this example as a perfect picture of a Knight for Christ.

Our school colors are red, black, and white. "Red" is for the precious blood which Jesus shed on the cross for each one of us. "Black" represents the sin we have against God in our lives. "White" represents the purity and perfectness of Christ. These colors have special meaning in our lives because they represent God's love for us. He has worked mightily through these past three years, and He will continue to use us as long as we look to Him for everything.

Life left to God
Will bring a greater yield

No rope or cable on earth can bind as fast as a single thread of love. It fastens like a lock and is as strong as steel. No one can know its might unless he has been on one end of the strand. It is too strong for any mortal to describe — except in one word: God, for "God is Love."

It is the golden thread which binds heart to heart; the irresistible, unseen force that draws people together, quality, which makes each a part of all.

Knights

We're not the knights in shining armor
You know these times have changes.
But we do carry sword and shield
within our Bibles
To protect us from worldly sin.

We are not perfect by any means
But we know we're always forgiven.

And if we polish our shields
And sharpen our swords

I'm sure we'll make it into heaven.

My measure comes soon.

This is beginning to sound good!

Shout joyfully to the Lord, all the earth;
 Break forth and sing for joy and sing praises.
 Sing praises to the Lord with the lyre;
 With the lyre and the sound of melody.
 With trumpets and the sound of the horn,
 Shout joyfully before the King, the Lord.

It is gratifying to be just a little candle. Human beams shine far, and if they shine far, they shine near. The darker the night, the brighter they shine, though quietly. Don't mistake the silence of light; it is effective without noise. A candle blows no horn, just shines; do that, and the world will blow a horn for you.

For thou wilt light my candle: the Lord my God will enlighten my darkness.

An impressive Student Council.

If you dunk me, you're suspended!

They set the clock back too far.

I think we might make it.

Come on, John, they're ahead.

You'd better not!

Now what's he doing?

Jr. Varsity Basketball

Laugh a little, sing a little
As you go your way!
Work a little, play a little,
Do this every day!

Give a little, take a little,
Never mind a frown,
Make your smile a welcomed thing
All around the town!

Laugh a little, love a little,
Skies are always blue!
Every cloud has silver linings,
But it's up to you!!!

Success is to be measured, not so much by the position that one has reached in life as by the obstacles which he has overcome while trying to succeed.

Congratulations Cheryl!

Graduation is a special time that every person looks forward to. We dream about it, and plan for it, and look beyond it to set goals for ourselves. But no one realizes how special and important that moment is until you get up on that stage with the diploma in your hand and just for an instant you wish you could go back in time and avoid this. Then with all the determination you can muster, you look out and smile at the big world that's waiting for you and you say to yourself

Cheryl Todd

Symbols of graduation.

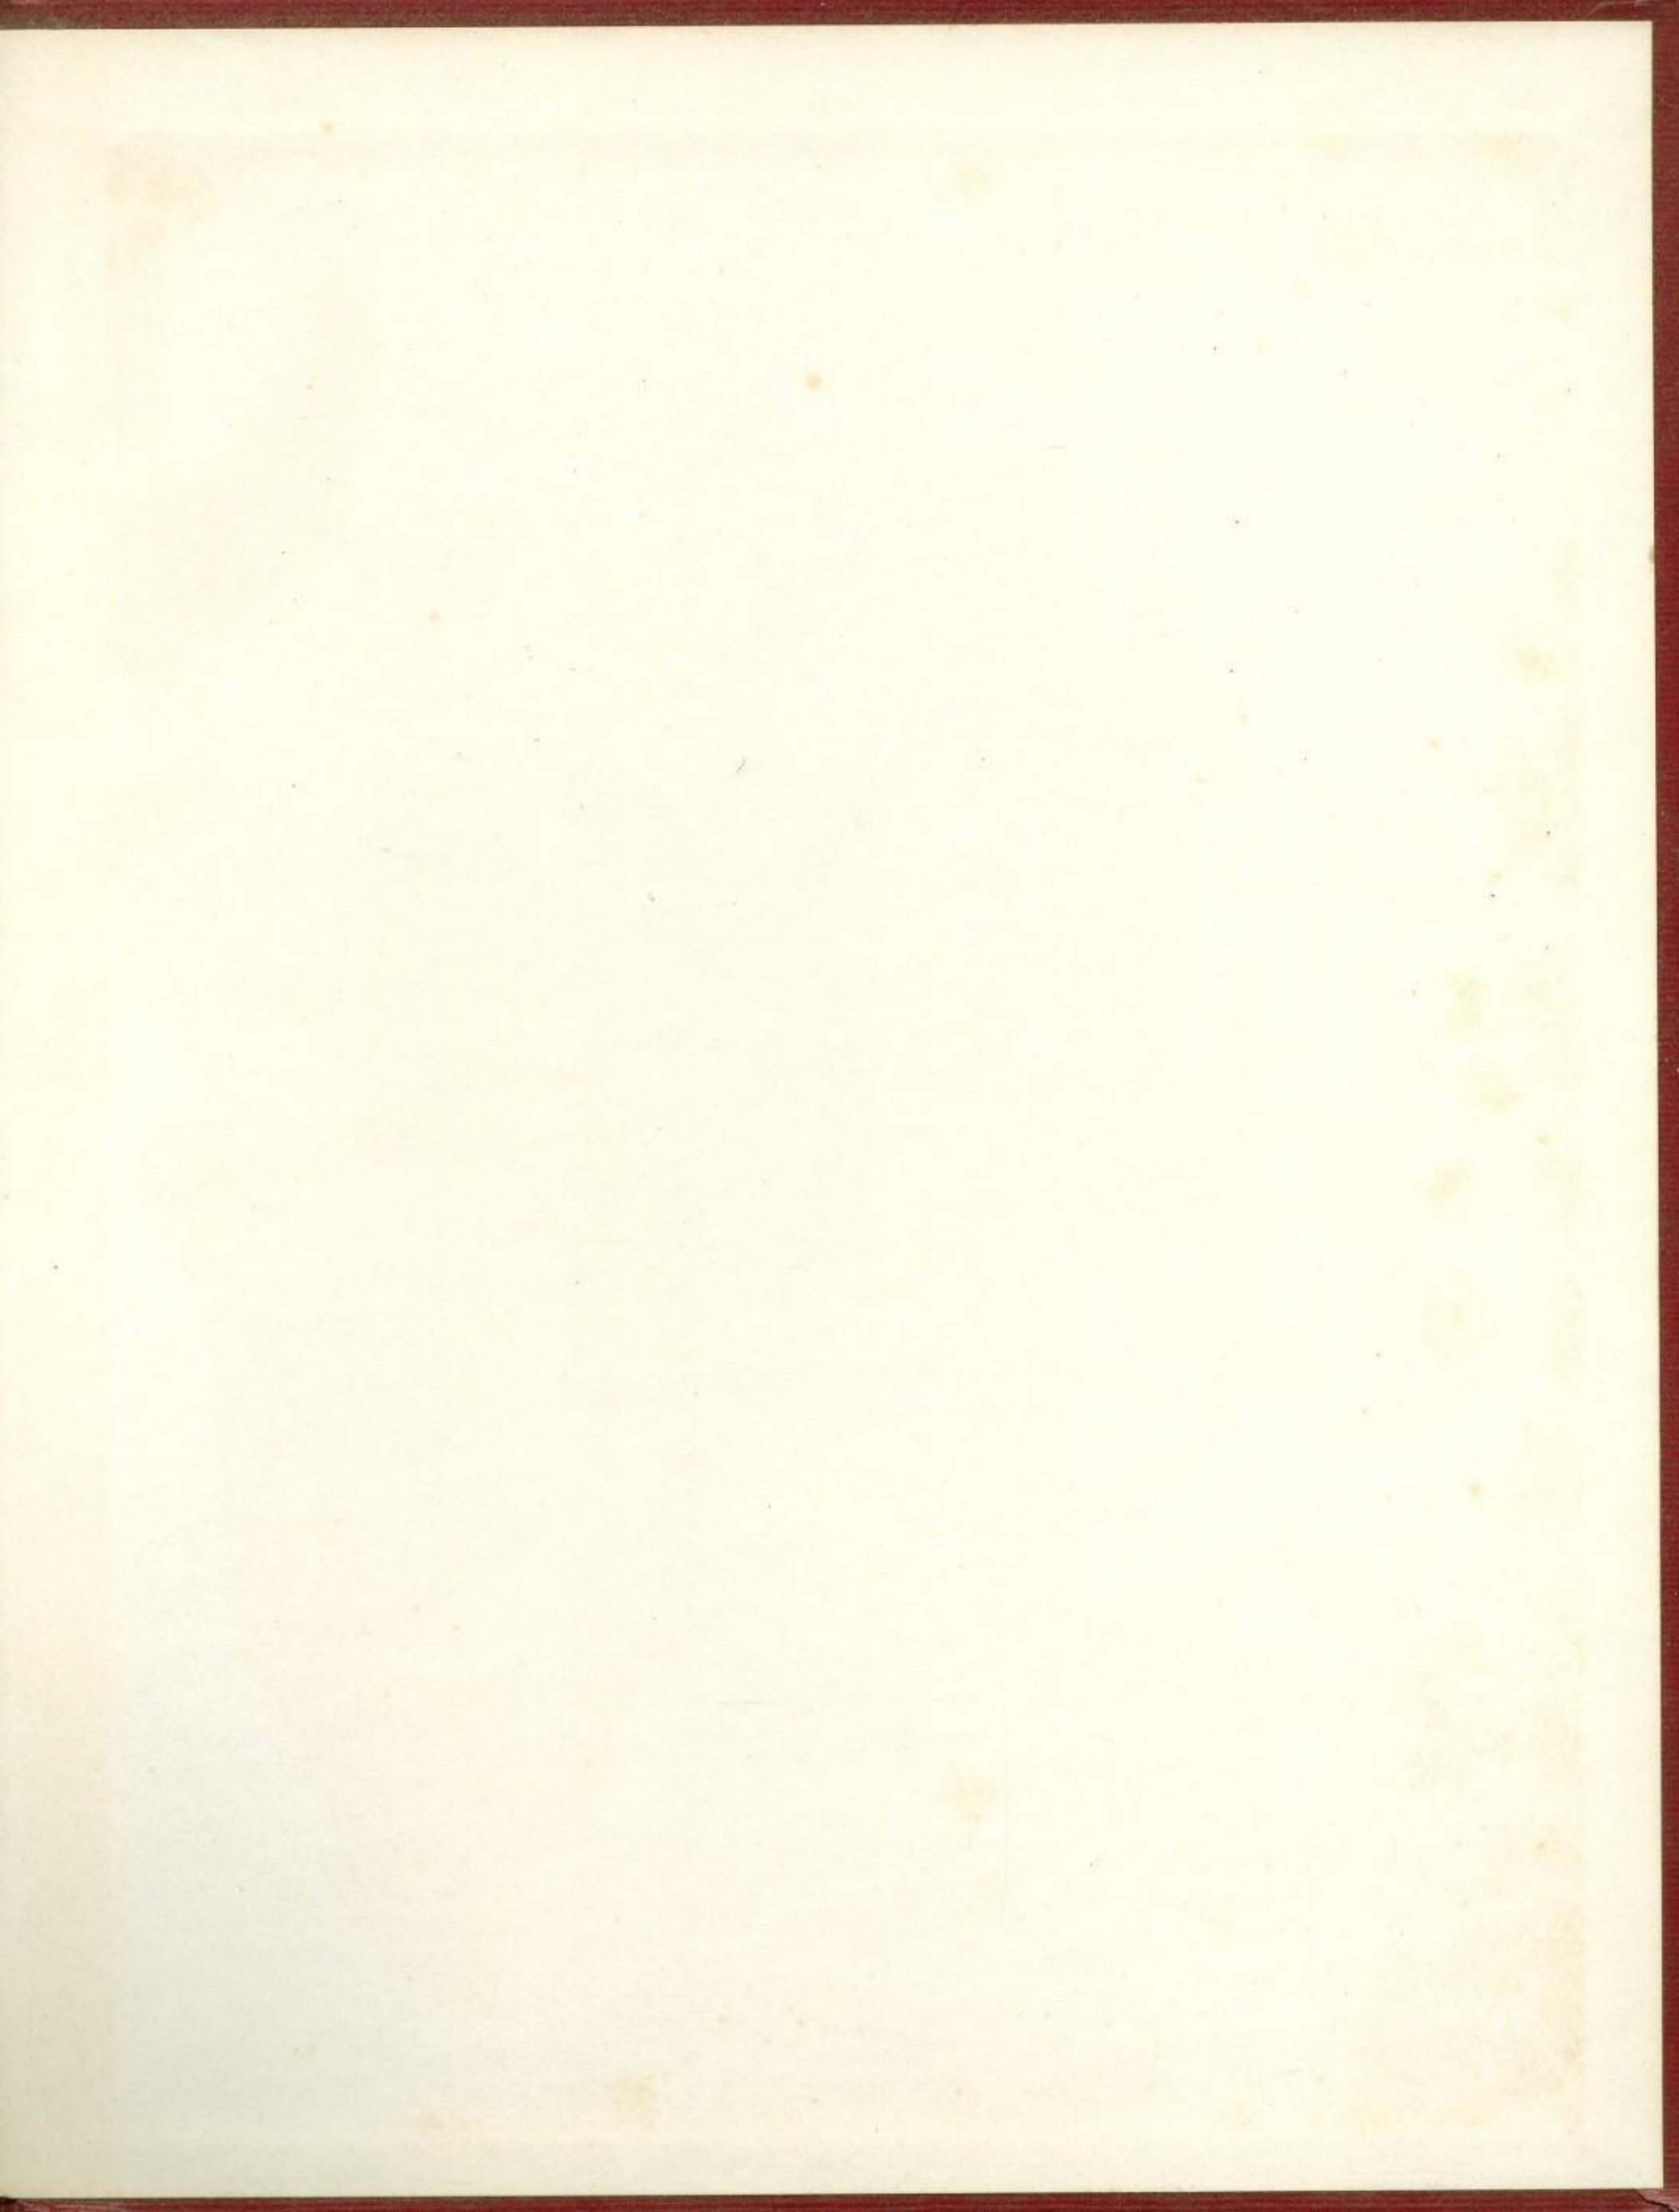

Once upon a time we lived
with hearts that raced.
And minds that dreamed,
And clocks that had no hour hands.
With common goals and common longing.
We laughed, we played, we learned.
These were our school days,
Our happy days.
